

Luigi Ambrosio

Affiliation: Institute of Polymers, Composites and Biomaterials (IPCB), National Research Council, Naples, Italy

Email address: luigi.ambrosio@cnr.it

Luigi Ambrosio is Director of the Institute of Polymers, Composites & Biomaterials, National Research Council of Italy. He received the doctoral degree in Chemical Engineering from University of Naples "Federico II". Qualified Full Professor in Bioengineering and in Materials Science and Technology.

Director of Chemical Sciences & Materials Technology Department, National Research Council from 2011 to 2017. Member of the High Level Group on Key Enabling Technologies, European Commission (2010-2015).

President of the European Society of Biomaterials (2007-2013), Past President (2013-2017), Honorary Member (since 2018). He received the ESB "G. Winter Award", for the high worldwide contribution to the Biomaterials Science.

He is Fellow of American Institute for Medical and Biological Engineering, Fellow of Biomaterials Science and Engineering. Fellow of the European Alliance for Medical and Biomedical Engineering & Science and Member of the European Academy of Science (2019). Editor-in-Chief of Journal of Materials Science: Materials in Medicine (since 2017). Publications include over 350 papers on international scientific journals and book, 18 patents, over 160 invited lectures and over 500 presentations at international and national conferences.
