

DANIELA BAGLIERI is Professor in Strategic Management and Entrepreneurship at University of Messina (Italy) where she serves as Vice Rector for Research and Innovation. Visiting scholar at Innopolis University (Russia), Carlson Management School (University of Minnesota, US), Grenoble Ecole de Management (France) and Texas A&M University (US), she received her Ph.D. in Business Administration from the University of Catania (Italy) and a Master of Science in “Management of Innovation” from Sant’Anna School of Advances Studies, Pisa (Italy).

Professor Baglieri’s work centers on strategy and entrepreneurship, especially in technology-based companies and university-industry technology transfer in cutting-edge technological trajectories. She is member of the Academy of Management, Strategic Management Society, and Italian Management Society (SIMA) as well.

She is also serving as independent board member of University of Catania (Italy), and advisory board member of Unicredit Group (Milan) and Bank of Italy (Catania).
