

## *CURRICULUM VITAE* PROF DAVIDE MALAGOLI

Associate Professor in Comparative Anatomy, Cytology and Histology  
Department of Life Sciences  
University of Modena and Reggio Emilia, Modena, Italy

Associate Professor in Comparative Anatomy, DM is a comparative immunologist and the PI of the Laboratory of Developmental and comparative immunology and neuro-endocrinology at the Department of Life Sciences, UniMORE (Modena).

His studies are mainly devoted to investigate the molecular and evolutionary-conserved bases of innate immune response in invertebrate models, in order to provide innovative information and models for immunological-oriented studies in humans and mammals.

As a Comparative Immunologist, DM co-authored research articles and reviews (99 products indexed in Scopus, H index 22, >3500 citations, 1352 co-authors), wrote 9 book chapters, edited 3 books and he is co-founder and Editor-in-Chief of the open-access journal ISJ-Invertebrate Survival Journal (2019 Impact Factor: 0.780; 5-Year Impact Factor: 1.016).

He participated to several National and International Congresses and Symposia, also in quality of invited speaker, and today he seats in the Board of the Italian Association of Developmental and Comparative Immunobiology (IADCI) and of the Italian Society of Developmental and Cellular Biology (GEI-SIBSC).
