Alessandro Pecchia graduated at the University of Trieste, Italy, in 1998 and the Ph.D degree from The University of Leeds, U.K., in 2002. He is a Senior Scientist at the Italian Consiglio Nazionale delle Ricerche (CNR), where he worked since 2005. He is also lecturing Computational Physics at the University of Rome "Tor Vergata," Rome, Italy. His research is focused on electronics and transport properties of nanoscructures, molecular electronics and organic devices.
